Technical Assistance Partners

2023-2024 School Improvement Grant Preferred Technical Assistance Partners

The Indiana Department of Education has identified Technical Assistance Partners that can provide impactful support to Comprehensive Support and Improvement (CSI) and Targeted Support and Improvement (TSI) schools pursuing the School Improvement Planning and Implementation Grant. Preferred partners were selected based on their evidence of success and employment of evidence-based interventions. This year, applicants were assessed on their capability to provide quality supports in one or more of the following areas: academic mastery, career and postsecondary readiness, and sustainable innovation. The organizations below have been approved following critical review of their qualifications specific to the priorities identified. School leaders seeking assistance are encouraged to refer to this list and consider partners that meet their specific needs¹.

Preferred School Improvement Technical Assistance Partners to Support Initiatives under School Improvement Planning and Implementation Grant by Approved Area.

Academic Mastery

Supporting schools to ensure every student is supported to demonstrate proficiency in academic content required by state standards and academically prepared to experience college and career pathways.

Achievement Network	Marian University	RISE
CERA	MaxResults	SchoolWorks
Ed Directions	MGT	SkyBound Education
Equitable Education Solutions (EES)	Modern Classrooms Project	Solution Tree
engage2learn	NIET	ULLC
Instructional Empowerment	NWEA	UChicago Impact
Lavinia Group	Readable English	YHC

¹ Leaders should confirm with partnering organizations that they are registered with and in good standing with SAM.gov
